

## **Clinton IA, 15 August 2016 – RAIL.ONE USA Corp. with new CEO**

RAIL.ONE USA Corp announces Robert E. Bogner as new CEO of its North American Operations. After several positions in different renowned production companies, Bob joined RAIL.ONE USA one year ago as COO and Plant Manager.

'With his professional background, diligence and consequent leadership we are convinced that Bob will further develop RAIL.ONE USA and its North American Operations successfully.' says Jochen Riepl the CEO of the PCM RAIL.ONE Group as well as the parting CEO of RAIL.ONE USA Corp.

Bob, married and father of three children, is confident: 'I and my team here in the U.S. will dedicate ourselves to maximize our customers satisfaction and to further work on the establishment of RAIL.ONE as a brand of quality, reliability and innovation, a reputation the group has successfully fostered and maintained in all other markets they are serving in the world'.

RAIL.ONE entered into the U.S. market in 2014 with a state-of-the-art plant for the production of prestressed concrete railroad ties for Class 1 Railroads located in Clinton IA.

### **Profile of the PCM RAIL.ONE Group**

The PCM RAIL.ONE Group conducts business with the goal of providing integral systems and engineering for the entire field of railway track systems and their many and varied requirements. With its patented RHEDA 2000<sup>®</sup> ballastless track system, the company has achieved an internationally leading position in the field of high-speed rail transportation. In addition, RAIL.ONE manufactures main-track and turnout sleepers made of concrete.

With over 800 employees in its plants and subsidiaries in Germany, Romania, Saudi Arabia, Spain, South Korea, Turkey, Hungary, the USA and India, RAIL.ONE offers total annual production capacity of more than 5 million main-track sleepers, as well as of over 750,000 linear metres of turnout sleepers. The company achieves average annual sales of approximately €145 million.
