Visit by German national parliamentarians at RAIL.ONE:

Remaining strong in Germany and growing internationally.

*Neumarkt, 29 October 2008* - Today, the management of **RAIL.ONE Group** had the pleasure of welcoming the following guests to their home office in Neumarkt: Mr. Alois Karl, Member of the German Parliament, as well as Mr. Bartholomäus Kalb, also Member of the German Parliament and Chairman of the Finance and Budgetary Committee of the State CSU Caucus in the National Parliament. In addition to an extensive exchange of opinion on current issues involving corporate development, and on regional and international competitiveness and economic policy, the agenda for the visit also included an onsite tour of the production floors of the RAIL.ONE Group.

As a company with its roots in this region, RAIL.ONE considers it a matter of its own corporate image and outlook to cultivate active contact with political, economical, and social interest groups. For this reason, RAIL.ONE regularly invites representatives of these groups to visit its facilities at its Neumarkt locations: in order to take the opportunity to personally present details on its products, their application benefits, as well as its strategic corporate objectives.
